

# FIND-A-PEST TRAINING WORKSHOP

*10 to 12 on Tuesday 5 March*

Join scientists at Scion for a two hour forest health training refresher. Learn about key foliar diseases and insect pests of *P. radiata*.

Participants will load the new Find-A-Pest surveillance app and learn how it helps them identify forest pests.

**VENUE:**

Rimu Room, Scion: 49 Sala Street,  
Rotorua
